

MISTMASTER LITE

5 L Hand Compression Sprayer

is designed for professional Pest Control Operators (PCOs), gardeners and plant-care applications. It features a wide pump handle for comfortable pumping, a stable base skirt for better ground stability and an adjustable brass nozzle that allows spraying from a fine mist to a strong stream.

Made with a high-quality plastic tank, this manual pressure sprayer offers a maximum filling capacity of 5 litres and is suitable for indoor and outdoor spraying applications.

Always read and follow label instructions.
